## PANEL LED SUSPENDIDO

### PANEL SUSPENDIDO.

Le ofrecemos una de las mejores soluciones en luminarias suspendidas. La profundidad perfecta del panel (6cm) permite contener el driver en su interior, dejando un producto de líneas limpias y con una magnífica distribución de luz gracias al led retroiluminado.

### HANGING PANEL.

We offer one of the best solutions in hanging lights. The panel perfect depth (6cm) can contain the driver inside, leaving a product of clean lines and with a superb light distribution thanks to the back-lit LED.
